A Fortunate Life

Robert Vaughn

A Fortunate Life Robert Vaughn

A remarkable and delightful memoir of a life spent in the uppermost circles of acting, politics, and the world

Robert Vaughn was born an actor. His family worked in the theater for generations, and he knew from the very start that he would join them. In his fifty-year career, Vaughn has made his mark in roles on stage, in film, and on television the world over. In *A Fortunate Life*, he describes some of the one-of-a-kind experiences he's enjoyed in his celebrated career. *A Fortunate Life* reveals the details of his early years in Hollywood, when he found himself appearing as often in the gossip magazines as on screen, and he recounts insider stories about such legendary figures as Judy Garland, Bette Davis, Charlton Heston, Oliver Reed, Jason Robards, Richard Harris, Yul Brynner, Elizabeth Taylor, and many more. Vaughn's work in *The Young Philadelphians, The Magnificent Seven, Superman III*, and many other films won kudos from critics and peers alike. Worldwide recognition came when he starred in the smash hit series *The Man from U.N.C.L.E.*, and he vividly describes the extraordinary experience of becoming, quite suddenly, one of the world's brightest stars.
Vaughn warmly recalls his romances with stars like Natalie Wood and his adventures with friends like Steve McQueen and James Coburn, but equally important was his involvement in the politics of the 1960s. The first actor to publicly speak out against the war in Vietnam, he served as national chairman of Dissenting Democrats, the largest antiwar organization in the U.S. He gave hundreds of speeches denouncing the war, debated William F. Buckley on national TV, and helped persuade his friend Robert F. Kennedy to run for president in 1968---only to see the race end in tragedy.
With a wealth of moving, wonderfully entertaining and often jaw-dropping stories from the worlds of acting and politics, *A Fortunate Life* is a must-read for fans of Robert Vaughn and anyone who wants a glimpse behind the scenes of classic Hollywood.

From reader reviews:

Nancy Farley:

What do you ponder on book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Just you can be answered for that query above. Every person has different personality and hobby per other. Don't to be compelled someone or something that they don't would like do that. You must know how great along with important the book A Fortunate Life. All type of book is it possible to see on many methods. You can look for the internet sources or other social media.

Brandon Phelan:

The actual book A Fortunate Life will bring one to the new experience of reading the book. The author style to elucidate the idea is very unique. When you try to find new book you just read, this book very ideal to you. The book A Fortunate Life is much recommended to you to study. You can also get the e-book from official web site, so you can quickly to read the book.

James Smith:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this A Fortunate Life can make you experience more interested to read.

Olga Andres:

Reading a book make you to get more knowledge as a result. You can take knowledge and information from the book. Book is composed or printed or illustrated from each source that will filled update of news. In this modern era like now, many ways to get information are available for anyone. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just seeking the A Fortunate Life when you needed it?
