Buffering: Unshared Tales of a Life Fully Loaded Hannah Hart

The wildly popular YouTube personality and author of the *New York Times* bestseller *My Drunk Kitchen* is back! This time, she's stirring up memories and tales from her past.

By combing through the journals that Hannah has kept for much of her life, this collection of narrative essays deliver a fuller picture of her life, her experiences, and the things she's figured out about family, faith, love, sexuality, self-worth, friendship and fame.

Revealing what makes Hannah tick, this sometimes cringe-worthy, poignant collection of stories is sure to deliver plenty of Hannah's wit and wisdom, and hopefully encourage you to try your hand at her patented brand of reckless optimism.

Personal note:

Hello, my darlings! I am incredibly pleased to present BUFFERING: Unshared Tales of a Life Fully Loaded!

As a big fan of memoirs, I wanted to try my hand at writing about the events of my life that deserve a little more consideration than can be accomplished in 140-characters or a 6-minute vlog. Now on the cusp of turning 30, I'm ready to expose some parts of my life that I haven't shared before. Before, it was all about privacy, process and time. And now the time has come! I'm ready to put myself out there, for you.

I'm a little nervous about all these vulnerable words going into the world, these tales about my love life, the wrestling I've done with faith, how I feel about sex and my family and myself. I've had a lot of trials, a lot of errors, but also a lot of passion. Here's the thing--I've always found comfort in the stories shared by others, so I hope my stories, now that I feel ready to tell them, will bring you some comfort too.

And when you read this book please remember: Buffering is just the time it takes to process.

Enjoy!

Love,

Hannah
