Is God Listening?

Andrew E Steinmann

Is God Listening? Andrew E Steinmann
Dr. Steinmann engagingly upholds the unique biblical Lutheran view of prayer in this book. Many books on prayer fall into the trap of making God so personal that prayer becomes a psychological tool, a sacrament, or an act in which the believer trusts more than the work of Christ. Dr. Steinmann, in a pastoral, yet scholarly manner brings to the reader God's word and the simplicity of prayer. It is a book about prayer through the eyes of a pastoral scholar who uses the prayers in the bible to teach the reader about prayer and its place in the daily piety of the believer.
