It’s easy to go green, one step at a time. Filled with hundreds of tips and ideas for lessening your impact on the environment (and in many cases saving money, too), *Living Green* helps you minimize your carbon footprint at home, at the office, even while on the road. Resolve to give up dry cleaning—many "dry clean only" clothes can be hand-washed. Help bees and other essential pollinators by planting species they like and avoiding pesticides. Pack a 100 percent waste-free school lunch. Don't let things go when the holidays come around—shredded documents make great Easter egg grass, and the funny papers can live a second life as wrapping paper. Plus a Green Glossary for more educated shopping and quotes to inspire and elevate: *"Heaven is under our feet as well as over our heads"* (Henry David Thoreau).
