Scott L. Miller

Counterfeit (A Mitchell Adams novel) Scott L. Miller
The last person social worker Mitch Adams wants to hear from is St. Louis Homicide Detective JoJo Baker, a man with whom Mitch shares a tangled past. Baker wants Mitch to counsel Lonnie Washington, a disabled African-American arrested for counterfeiting and armed robbery. The evidence points to an open and shut case, but Baker insists it's not so black and white. Reluctantly, Mitch agrees and discovers there is more to the story-more than enough to get them both killed. At first Lonnie won't cooperate, but as he begins to open up, Mitch is convinced that the true criminal is not the man behind bars, but the prosecutor who put him there-a man with far-reaching political ambitions, the approval of the public, and his very own Secret Service detail. With millions in near-perfect fake $100 bills up for grabs, Mitch's life hinges on the word of a counterfeiter, the greed of a prosecutor, and his refusal to go down without a fight.
