Head and Neck Surgery Volume 1: Face, Nose and Facial Skull

Head and Neck Surgery Volume 1: Face, Nose and Facial Skull

Volume 1 (part I and II) covers all major surgical procedures on the face, nose and facial skull. This acclaimed compendium discusses indications, diagnostic methods, and operative methods, and operative techniques.

Key Features:

- The best preoperative reviews on all major head and neck surgical procedures
- Includes all new surgical techniques such as endoscopy, laser surgery and new developments in techniques such as microvascular surgery
- Clear duotone step-by-step illustrations giving a wonderful 3-dimensional effect

Any ENT specialist or resident in training preparing for a major operation should reach for his Naumann for the best preoperative review available to him! The book is organized according to surgical areas for easy reference. All procedures are described by internationally respected authors from their own personal experience and evaluated with regard to effectiveness, complications, and postoperative follow-ups.

From reader reviews:

William Threatt:

As people who live in often the modest era should be update about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know what kind you should start with. This Head and Neck Surgery Volume 1: Face, Nose and Facial Skull is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Michelle Saunders:

Spent a free the perfect time to be fun activity to do! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, likely to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? May be reading a book can be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the book untitled Head and Neck Surgery Volume 1: Face, Nose and Facial Skull can be very good book to read. May be it is usually best activity to you.

Ruth Aguilar:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them family or their friend. Are you aware? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity that is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you simply read you can spent all day every day to reading a reserve. The book Head and Neck Surgery Volume 1: Face, Nose and Facial Skull it is extremely good to read. There are a lot of folks that recommended this book. These folks were enjoying reading this book. In the event you did not have enough space to bring this book you can buy the actual e-book. You can m0ore very easily to read this book from the smart phone. The price is not to cover but this book has high quality.

Roberto Garcia:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Head and Neck Surgery Volume 1: Face, Nose and Facial Skull can make you sense more interested to read.
