Heart of a Patriot: How I Found the Courage to Survive Vietnam, Walter Reed and Karl Rove Max Cleland
By the time he had reached middle age, Max Cleland thought he had nothing to live for. Vietnam had left him a triple amputee. He had lost his seat in the U.S. Senate, and in the grip of depression he had lost his fiancée, too. But instead of giving up, Cleland discovered that he has what it takes to survive: the heart of a patriot.

Doctors did not give Cleland much hope when he returned from Vietnam, but he overcame his despair through his bonds with other wounded soldiers. Against all odds, he realized his dream of becoming a Senator. But after being smeared as unpatriotic in a reelection campaign, a long-dormant case of Post-Traumatic Stress Disorder sent him back to Walter Reed Hospital. Surrounded by the veterans of Iraq and Afghanistan, Cleland again found the faith and endurance to regain control of his life.

In a gut-wrenching memoir that is free of bitterness but frank about the costs of being a soldier, Max Cleland describes with love the ties America's soldiers forge with one another, along with the disillusionment many of them experience when they come home. *Heart of a Patriot* is a story about the joy of serving the country you love, no matter the cost—and how to recover from the deepest wounds of war.
