Manifestation Wolverine: The Collected Poetry of Ray Young Bear

Ray Young Bear

Manifestation Wolverine: The Collected Poetry of Ray Young Bear Ray Young Bear
The definitive collection from a groundbreaking Native American poet whose work traces the fault lines between past and present, real and surreal, comedy and tragedy to unveil a transcendent new vision of the world

Hailed by the *Bloomsbury Review* as “the nation’s foremost contemporary Native American poet” and by Sherman Alexie as “the best poet in Indian Country,” Ray Young Bear draws on ancient Meskwaki tradition and modern popular culture to create poems that provoke, astound, and heal.

This indispensable volume, which contains three previously published collections—*Winter of the Salamander* (1979), *The Invisible Musician* (1990), and *The Rock Island Hiking Club* (2001)—as well as *Manifestation Wolverine*, a brilliant series of new pieces inspired by animistic beliefs, a Lazy-Boy recliner, and the word songs Young Bear sang to his children, is a testament to the singularity of the poet’s talent and the astonishing range of his voice.
