Why is so much of the world managed by arseholes? When workaholic business school hot shot Ben Stillman is fired, he has the chance to find out. Not a guy to sit still, Ben jumps head first into turning his former business school into world-class madrassa of capitalism. Ben has ten days to rescue the launch of its spectacular glass tower, and his own career - ten days during which he will have to confront terrorist plots, undercover police, the extravagant demands of the super-rich, and the only woman who can save him from this madness. A satirical thriller, a love story, and a wry look at modern management ideology all rolled into one - MBA is a piercing yet hopeful enquiry into the meaning of success.
