Official Truth, 101 Proof: The Inside Story of Pantera

Rex Brown

Official Truth, 101 Proof: The Inside Story of Pantera Rex Brown
Few heavy metal acts survived the turmoil of the early 1990s music scene. Pantera was different. Instead of humoring the market, the band instead demanded that the audience come to them by releasing a series of fiercely uncompromising, platinum albums, including *Vulgar Display of Power* and *Far Beyond Driven*—two #1 albums that, like Metallica's *And Justice for All*, sold millions of copies despite minimal airplay.

Rex Brown's memoir is the definitive account of life inside one of rock's biggest bands, which succeeded against all odds but ultimately ended in tragedy when iconic lead guitarist Darrell "Dimebag" Abbott was murdered mid-performance by a deranged fan.

This is a lucid account of the previously untold story behind one of the most influential bands in heavy metal history, written by the man best qualified to tell the truth about those incredible and often difficult years of fame and excess.
