Principles of Intensive Psychotherapy

Frieda Fromm-Reichmann

Principles of Intensive Psychotherapy Frieda Fromm-Reichmann
This early work by German psychiatrist Frieda Fromm-Reichmann is both expensive and hard to find in its first edition. It details the attributes needed for a successful psychiatrist and the processes involved in psychotherapy. This fascinating work, written by a contemporary of Sigmund Freud, is thoroughly recommended for anyone with an interest in the history and development of psychotherapeutic treatment. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
