Most people look forward to a Caribbean cruise with the same anticipation that a kid looks forward to Christmas. Weeks (or months) of planning, waiting, and getting ready all add to the thrill. Good for you. What a great experience you are giving to yourself. Our business is to give you all the info you need to make sure that your cruise is everything it can be. We take a lot of cruises and we document everything that happens along the way. We explore every square foot of ship. We visit the spas and check out how good their massages are. We buy stuff in the shops, sample the special foods, hang out in the clubs, dance on the pool deck, lay in the sun. And then we go ashore. We scuba, play with dolphins, parasail, find wonderful beaches, sample the local restaurants and visit the museums and attractions. All so we can tell you about it. We pass on everything we learn so that you can fulfill that all important fantasy you have about your Caribbean vacation.
