'The seed is mine. The ploughshares are mine. The span of oxen is mine. Everything is mine. Only the land is their's.'--Kas Maine

A bold and innovative social history, *The Seed Is Mine* concerns the disenfranchised blacks who did so much to shape the destiny of South Africa. After years of interviews with Kas Maine and his neighbors, employers, friends, and family--a rare triumph of collaborative courage and dedication--Charles van Onselen has re-created the entire life of a man who struggled to maintain his family in a world dedicated to enriching whites and impoverishing blacks, while South Africa was tearing them apart.

"If ever one wondered whether the life of a single man could illuminate a century, [this] brilliant biography . . . proves the point."—**Carmel Schrire, *The Boston Globe***

"An epic . . . [that] tells of the loss of human potential generated by a politics that surrendered generosity and openness to self-interest and bigotry. It reveals the way an ordinary man can survive with dignity in such a world."—**Vincent Crapanzano, *The New York Times Book Review***

"A magnificent book [with] implications beyond its modest claims . . . This remarkable story compels foreboding but also kindles hope, for it shows the extraordinary courage of 'ordinary' men under severe difficulties."—**Eugene Genovese, Emory University**

"[Van Onselen] teases out the subtleties of the paternalistic relationships between rural whites and blacks which gave rise to real friendships but also to much betrayal, anger, and humiliation . . . It is a monumental masterpiece of research, and a poetic evocation of the human spirit to survive . . . "—**Linda Ensor, *Business Day* (South Africa)**
