The Veterinary Formulary: Handbook of Medicines Used in Veterinary Practice

The Veterinary Formulary: Handbook of Medicines Used in Veterinary Practice
This work (the second edition) contains all the preparations that are used as veterinary drugs and medicines. It describes them according to their pharmacological and therapeutic classifications. Information is included in the text concerning the mechanisms of action of the drugs, side effects and dosages. All the drugs included here are suitable for use with both domestic and non-domestic species. The book aims to promote rational and effective treatment by grouping together the similar preparations of each drug.
