**Make it Plain: Standing Up and Speaking Out** Vernon Jordan Jr.
The long and storied career of Vernon E. Jordan, Jr. one of the nation’s finest speakers, has carried him from work on the civil rights front lines in the South to the National Urban League to positions of influence at the highest level of business and politics. A friend and confidant to presidents, Vernon Jordan has never forgotten the men and women, from Wiley Branton to Martin Luther King, from Fannie Lou Hamer to Whitney Young to Primus King, whose oratorical skill in service to social justice deeply influenced him. Their examples, and voices, mixed with Vernon’s own make this book both a history and an embodiment of black speech at its finest, full of emotion, controlled force, righteous indignation, love of country, and awe in front of the challenges ahead.
