The New Covenant Church - Ekklesia - of Christ John G. Reisinger
John G. Reisinger, with his familiar clarity and respect for the Scriptures, investigates the nature of the new covenant church. Should it be understood primarily as an organization structured with officers and by-laws? Or is the church first and foremost those called to faith in Christ, by the Holy Spirit, through the Word of God proclaimed? The true and accurate translation of the word ekklesia demonstrates, namely, that the ekklesia of Christ is they, meaning people, and not it, meaning an organization. If you cannot speak of the ekklesia as ‘they’ but constantly think and speak in terms of ‘it’ you have not totally come out of Romanism! John G. Reisinger has served the body of Christ for over sixty years. This is his twenty-fourth title in print. He is well known and loved for his gift of making seemingly difficult topics easily understandable to the edification of The New Covenant Church— Ekklesia—of Christ.
