Combat Journal for Place d'Armes: A Personal Narrative (Voyageur Classics) Scott Symons

Originally published in 1967, *Combat Journal for Place d'Armes*, set in Montreal, was initially met with shock and anger by most reviewers. As D.H. Lawrence's *Lady Chatterley's Lover* once had, it challenged the attitudes and morals held by most people in its time regarding life and literature. Despite this initial reaction, the novel earned author Scott Symons the Beta Sigma Phi Best First Canadian Novel Award and went on to be regarded as one of the "most important statements about Canadian imaginative life in the 1960s."

Both a study of the emergence of a character's true self through his homosexual experiences and his critical examination of Canadian, and especially French-Canadian, culture and traditions, *Place d'Armes* was named one of the top hundred most important books in Canadian history. Peter Buitenhuis, the late autho ran dformer head of Simon Fraser University's English department, has written that Symon's novel is "a defiant assault on the Canadian Bourgeois mentality" that "celebrates human sexuality and spirtuality with all the gusto that language can command."
