Christopher Dominguez Michael

Profetas del pasado: Quince voces de la histografia sobre Mexico (Spanish Edition) Christopher Dominguez Michael
Con motivo de la doble conmemoracion de 1810 y 1910, Christopher Dominguez Michael entrevisto para la revista Letras Libres y la serie de television La Conquista a algunos de los mas importantes entre los historiadores que, mexicanos y extranjeros, han escrito obras decisivas sobre nuestra historia: David A. Brading, Christian Duverger, John H. Elliott, Brian R. Hamnett, Friedrich Katz, Alan Knight, Enrique Krauze, Miguel Leon-Portilla, Rodrigo Martinez Baracs, Eduardo Matos Moctezuma, Jean Meyer, Guilhem Olivier, Hugh Thomas, Guillermo Tovar de Teresa y Eric Van Young.A lo largo de estas conversaciones, los historiadores partieron del mundo mesoamericano reflexionando sobre los sacrificios humanos entre los aztecas, el esplendor barroco de la Nueva Espana, las condiciones modernas o antimodernas de nuestra Independencia, la intemperancia de las guerras de Reforma, la violencia durante la Revolucion y el terror durante la Cristiada; el regimen cardenista y la falsa o relativa fortaleza del Estado surgido de la Constitucion de 1917. El reparto es, predeciblemente, magnifico: Moctezuma, la Malinche y Cortes, el arzobispo Palafox y Mendoza, los virreyes borbonicos, los curas Hidalgo y Morelos, el emperador Iturbide, los revolucionarios de 1910 encabezados por Madero y Villa. Junto a los heroes y los antiheroes, los historiadores no olvidaron a los mexicanos comunes y corrientes que han hecho y sufrido la historia.El resultado de estas conversaciones, en las que quien pregunta lo hace desde un conocimiento extraordinariamente amplio de la historia de Mexico y de la obra de cada uno de los entrevistados, es un panorama a la vez abarcador y vivisimo, en el que los puntos de vista y los enfoques historiograficos contrastan; los lugares comunes, los habitos y las manias de la historia oficial se impugnan o desechan; las seguridades ideologicas se disipan o flexibilizan, y se anuncian planteamientos y vias novedosos, metodos de investigacion distintos, corpus historicos no explorados, sujetos y documentos hasta ahora ignorados, de forma tal que el conjunto nos pronostica cuales seran los rasgos nuevos que tendra en adelante nuestro pasado.
