Tabu da morte (Portuguese Edition)

José Carlos Rodrigues

Tabu da morte (Portuguese Edition) José Carlos Rodrigues
Do mesmo autor de Tabu do Corpo, originalmente tese de doutorado, este livro, publicado anteriormente em 1983, explora um tema que se situa à margem do que costuma ser objeto das investigações antropológicas – a vida que as pessoas vivem em seus diversos aspectos, seja no plano social, familiar, político, econômico, artístico ou religioso. Desse modo, uma antropologia da morte poderia representar um contra-senso, a menos que seja tratada da maneira que se faz aqui, como meio para se compreender a própria vida. Das sociedades chamadas primitivas ao capitalismo contemporâneo, o autor conduz a reflexão a expandir nossa imaginação por meio do inventário e da cuidadosa análise das diferentes formas de pensamento e dos distintos modos de ação que permitem aos coletivos humanos inverter o rumo aparentemente inexorável das coisas e da morte, fazer a vida.
