The Little Book of Values: Educating children to become thinking, responsible and caring citizens (Independent Thinking Series) Julie Duckworth
The Little Book of Values explores twenty-two values that can be taught through schools and indeed the whole community. The book will inspire you by using examples of where values are being used by children and adults in schools already and shares practical tools to stimulate discussion and philosophical debate. It will also help people to take stock of their own values and how they wish to lead their.
