The Tyranny of Silence

Flemming Rose

The Tyranny of Silence Flemming Rose
NAMED ONE OF THE BEST BOOKS OF 2014 BY THE *ECONOMIST*. Journalists face constant intimidation. Whether it takes the extreme form of beheadings, death threats, government censorship or simply political correctness—it casts a shadow over their ability to tell a story.

When the Danish newspaper *Jyllands-Posten* published the cartoons of the prophet Muhammad in 2005, Denmark found itself at the center of a global battle about the freedom of speech. The paper's culture editor, Flemming Rose, defended the decision to print the 12 drawings, and he quickly came to play a central part in the debate about the limitations to freedom of speech in the 21st century. In *The Tyranny of Silence*, Flemming Rose writes about the people and experiences that have influenced his understanding of the crisis, including meetings with dissidents from the former Soviet Union and ex-Muslims living in Europe. He provides a personal account of an event that has shaped the debate about what it means to be a citizen in a democracy and how to coexist in a world that is increasingly multicultural, multireligious, and multiethnic.
