Undocumented: How Immigration Became Illegal

Aviva Chomsky

Undocumented: How Immigration Became Illegal Aviva Chomsky
Explores what it means to be undocumented in a legal, social, economic and historical context

In this illuminating work, immigrant rights activist Aviva Chomsky shows how “illegality” and “undocumentedness” are concepts that were created to exclude and exploit. With a focus on US policy, she probes how people, especially Mexican and Central Americans, have been assigned this status—and to what ends. Blending history with human drama, Chomsky explores what it means to be undocumented in a legal, social, economic, and historical context. The result is a powerful testament of the complex, contradictory, and ever-shifting nature of status in America.

From the Trade Paperback edition.
