Viking Age England

Julian D Richards

Viking Age England Julian D Richards
From shortly before AD 800 until the Norman conquest, England was subject to raids from seafaring peoples from Scandinavia - the Vikings. They were not only raiders but also traders and settlers. During this period the English state was unified under a single ruler for the first time and Anglo-Saxon society underwent great changes. Results from major excavations in both the countryside and in towns, such as London, Lincoln and York, mean that it is now possible to reassess the Viking contribution to the history of Late Anglo-Saxon England and to examine the creation of a new mixed Anglo-Scandinavian identity. In this updated and re-illustrated edition of his best-selling textbook, Julian Richards shows how far local developments responded to these events, and he uses the latest archaeological evidence (especially fieldwork in the Danelaw) to examine various aspects of Anglo-Scandinavian society - rural settlement and the economy, the growth of towns, trade and exchange, craft and industry, burial rituals and stone memorials.

From reader reviews:

Terry Palladino:

Why? Because this Viking Age England is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the reserve store hurriedly.

Ella Nebel:

Don't be worry should you be afraid that this book will probably filled the space in your house, you can have it in e-book means, more simple and reachable. This kind of Viking Age England can give you a lot of good friends because by you looking at this one book you have point that they don't and make you more like an interesting person. That book can be one of one step for you to get success. This book offer you information that probably your friend doesn't learn, by knowing more than additional make you to be great persons. So , why hesitate? Let me have Viking Age England.

Andrew McConnell:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Viking Age England can make you experience more interested to read.

Stanley Cooper:

E-book is one of source of understanding. We can add our know-how from it. Not only for students but additionally native or citizen require book to know the upgrade information of year to year. As we know those publications have many advantages. Beside we add our knowledge, could also bring us to around the world. By book Viking Age England we can take more advantage. Don't that you be creative people? To be creative person must want to read a book. Just choose the best book that appropriate with your aim. Don't end up being doubt to change your life by this book Viking Age England. You can more inviting than now.
