**Barbra** Christopher Andersen

"Funny, I don't feel like a legend."
-- Barbra Streisand

She is a one-name legend, a global icon, the ultimate diva. Yet most of what we know about Barbra Joan Streisand is the stuff of caricature: the Brooklyn girl made good, the ugly duckling who blossomed into a modern-day Nefertiti, the political dilettante driving to the barricades in her Rolls-Royce, the Oscar-winning actress and bona fide movie mogul, the greatest female singer who ever lived, a skinflint, a philanthropist, a connoisseur and a barbarian, the woman whose physical characteristics are instantly identifiable around the planet -- the tapered nails, those slightly crossed eyes, that nose, the *voice*.

Even to the multitudes around the world who idolize her, Streisand remains aloof, unknowable, tantalizingly beyond reach. Until now. In the manner of his #l *New York Times* bestsellers *The Day Diana Died* and *The Day John Died* as well as *Jack and Jackie, Jackie After Jack, An Affair to Remember*, and *Sweet Caroline*, Christopher Andersen taps into important sources -- eyewitnesses to Streisand's remarkable life and career -- to paint a startling portrait of the artist . . . and the woman. Among the revelations:

- Surprising new details about her wedding and marriage to James Brolin.
- New information about her many failed love affairs, including her never-before-revealed relationships with Prince Charles and Princess Diana's doomed lover Dodi Fayed -- as well as Warren Beatty, Ryan O'Neal, former Canadian prime minister Pierre Trudeau, Steve McQueen, Richard Gere, Kris Kristofferson, Don Johnson, Jon Voight, Andre Agassi, newsman Peter Jennings, and more . . .
- A provocative inside account of what really went on between Streisand and Bill Clinton in the White House, what their relationship is like today, and how Hillary feels about Barbra.
- From *Funny Girl* and *The Way We Were* to *Yentl* and *The Prince of Tides* -- and in the recording sessions that produced some of the biggest hits in music history -- new behind-the-scenes details of the brilliance, the obsessive drive for perfection, and the Callas-sized ego.
- New insights into Barbra's relationship with her only child, Jason.

Whether you love her, hate her, or are simply spellbound by her titanic talent, Barbra is one thing above all others: a true American original.

**From reader reviews:**

**Christopher Watson:**

This Barbra book is not really ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is usually information inside this guide incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. That Barbra without we know teach the one who reading through it become critical in imagining and analyzing. Don't become worry Barbra can bring when you are and not make your handbag space or bookshelves' grow to be full because you can have it within your lovely laptop even telephone. This Barbra having excellent arrangement in word and also layout, so you will not sense uninterested in reading.

**David Otten:**

Information is provisions for people to get better life, information these days can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider while those information which is from the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Barbra as your daily resource information.

**Carla McFarlin:**

Are you kind of stressful person, only have 10 or perhaps 15 minute in your day time to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are receiving problem with the book compared to can satisfy your short space of time to read it because all of this time you only find e-book that need more time to be examine. Barbra can be your answer because it can be read by an individual who have those short free time problems.

**Ronnie Correa:**

Do you like reading a book? Confuse to looking for your selected book? Or your book had been rare? Why so many question for the book? But just about any people feel that they enjoy to get reading. Some people likes examining, not only science book but also novel and Barbra as well as others sources were given understanding for you. After you know how the truly great a book, you feel would like to read more and more. Science book was created for teacher as well as students especially. Those guides are helping them to bring their knowledge. In other case, beside science guide, any other book likes Barbra to make your spare time much more colorful. Many types of book like this.
