El sello indeleble: Pasado, presente y futuro del ser humano (Spanish Edition) Juan Luis Arsuaga, Manuel MartÃn-Loeches
Dos expertos de talla mundial, el paleoantropólogo Juan Luis Arsuaga y el psicobiólogo Manuel Martín-Loeches, se unen para investigar las características fundamentales del ser humano. *El sello indeleble* es una obra divulgativa sobre cómo la evolución del hombre ha generado unas características morfológicas y de comportamiento que nos distinguen de otras especies muy cercanas y afines. En sus páginas, las teorías sobre la evolución, de Darwin en adelante, se contrastan con el camino recorrido por el ser humano en los últimos dos millones de años. Un libro destinado a convertirse en referencia.
