God, The Welder

Brandt R. Schubbe

God, The Welder Brandt R. Schubbe

A deeply troubled man with a tragic past has lost his purpose in life. He struggles to regain that purpose as well as understand the meaning of past events, in the context of his increasingly disabled reality. *God, The Welder* takes the reader on a thought-provoking journey, as one man struggles to reconcile his religious beliefs with his troubled life in order to interpret his existence.

In a mysterious and forbidden dark room, the protagonist, who is known only as *Dad*, loses his ability to speak at the hands of a man with a tattooed map on his face. As Dad's physical, metaphysical and spiritual journey progresses, a love for creative writing is rekindled and becomes a therapeutic and necessary communication tool. Through his journaling, he connects with a welder named George. Between his late wife and George, Dad is able to unravel a reality previously incomprehensible. Will Dad be able to recover and preserve his familial relationships before he progressively loses his senses?

From reader reviews:

Howard Martinez:

Do you among people who can't read pleasant if the sentence chained inside straightway, hold on guys this particular aren't like that. This God, The Welder book is readable by you who hate those straight word style. You will find the facts here are arrange for enjoyable reading experience without leaving possibly decrease the knowledge that want to give to you. The writer of God, The Welder content conveys objective easily to understand by many individuals. The printed and e-book are not different in the content material but it just different as it. So , do you even now thinking God, The Welder is not loveable to be your top record reading book?

Katrina Roberts:

Exactly why? Because this God, The Welder is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret that inside. Reading this book adjacent to it was fantastic author who have write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking technique. So , still want to hold off having that book? If I had been you I will go to the publication store hurriedly.

Donald Mobley:

Do you like reading a book? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many issue for the book? But any people feel that they enjoy intended for reading. Some people likes studying, not only science book but also novel and God, The Welder or maybe others sources were given knowledge for you. After you know how the truly great a book, you feel would like to read more and more. Science guide was created for teacher as well as students especially. Those guides are helping them to bring their knowledge. In other case, beside science publication, any other book likes God, The Welder to make your spare time much more colorful. Many types of book like this one.

Jennifer Lorenzo:

Some people said that they feel bored when they reading a reserve. They are directly felt that when they get a half areas of the book. You can choose typically the book God, The Welder to make your current reading is interesting. Your current skill of reading ability is developing when you similar to reading. Try to choose basic book to make you enjoy to learn it and mingle the sensation about book and reading especially. It is to be initial opinion for you to like to open a book and read it. Beside that the reserve God, The Welder can to be your brand new friend when you're sense alone and confuse with what must you're doing of that time.
