Polar Imperative: A History of Arctic Sovereignty in North America

Shelagh D. Grant

Polar Imperative: A History of Arctic Sovereignty in North America Shelagh D. Grant
Based on **Shelagh Grant**'s groundbreaking archival research and drawing on her reputation as a leading historian in the field, ***Polar Imperative*** is a compelling overview of the historical claims of sovereignty over this continent's polar regions. This engaging, timely history examines:

the unfolding implications of major climate changes
the impact of resource exploitation on the indigenous peoples
the current high-stakes game for control over the adjacent waters of Alaska, Arctic Canada and Greenland
the events, issues and strategies that have influenced claims to authority over the lands and waters of the North American Arctic, from the arrival of the first inhabitants around 3,000 BCE to the present
sovereignty from a comparative point of view within North America and parallel situations in the European and Asian Arctic
This book will become a standard reference on Arctic history and will redefine North Americans' understanding of the sovereign rights and responsibilities of Canada's northernmost region.
