Kelly Harland

A Will of His Own: Reflections on Parenting a Child with Autism - Revised Edition Kelly Harland Kelly Harland's stories explore her son's life to the age of 14, and the new and unexpected universe she and her husband - both professional musicians - must learn to navigate with him.

Will's fears, anxieties, and obsessions can dominate daily life, making a trip to the grocery store seem like a walk across a minefield. But amidst these unpredictable 'flip-outs' and 'freak-outs,' there are moments of wonder. When Will finally learns the give and take of conversation, or dreams about his future, it rekindles his mother's belief that anything is possible.
