Through these stories, adopted teens can learn how others have resolved some of their adoption issues and gain powerful insights from those who have experienced some of the same frustrations, struggles, and concerns.

This book addresses various issues such as:

- finding out you've been adopted
- fitting in
- searching for birth parents
- meeting birth parents
- international adoption
- transracial adoption
- what defines a family

This revised edition also features discussion questions at the end of each chapter that help teens and loved ones acknowledge and verbalize their concerns. With up-to-date statistics, as well as insights from experienced adoption professionals who offer practical advice, this edition of *Adopted: The Ultimate Teen Guide* is a valuable resource for adopted teens as well as their families and friends.
