Bend to Baja: A Biofuel Powered Surfing and Climbing Road Trip Jeff Johnson
Bend to Baja documents a surf-inspired road trip along the West Coast of North America. In February 2005, a group of world-renowned surfers left Ventura, California, for Bend, Oregon. From Oregon, the crew worked its way south to the tip of Baja, looking for waves and traveling in a pickup truck converted to run on alternative fuel sources: veggie oil and biodiesel.

Jeff Johnson, along with Chris, Keith, and Dan Malloy, experienced a road trip centered on surfing, climbing, and camping. Along the way, they met an array of characters, found rich, road-weathered experiences, and endured setbacks, all against the backdrop of a captivating ocean. *Bend to Baja* chronicles their journey and a nontraditional lifestyle centered on the search for waves.
