Black: A Celebration of a Culture

Deborah Willis

Black: A Celebration of a Culture Deborah Willis

Tucked away in the dusty halls of the Smithsonian archives and nearly forgotten by most historians, black culture is a vast, complex, interconnected web of different people, trends, and lifestyles. Although absent from our collective memory, Deborah Willis has dug through the archives and hunted down the remnants that tell the wonderful and tragic history of a people. Tackling all subjects with bravery and frankness, Deborah Willis's work is a true treasure to behold.

Black, A Celebration of a Culture, presents the vibrant panorama of 20th-century black culture in America and around the world. The photos tell one story that resonates throughout the world. Broken up into segments that examine in detail such subjects as children, work, art, beauty, Saturday night and Sunday morning, the photos detail the history and the evolution of a culture. Each photograph, hand-picked by Deborah Willis, America's leading historian of African-American photography, celebrates the world of music, art, fashion, sports, family, worship or play. With over 500 photographs from every time period from the birth of photography to the birth of hip hop, this book is a truly joyous exhibition of black culture. From Jessie Owens to Barry Bonds, Ella Fitzgerald to Halle Berry, *Black: A Celebration of a Culture* is joyous and inspiring.
