Thinkwell Intermediate Algebra Edward Burger
We've built Intermediate Algebra around hundreds of multimedia video tutorials that provide dozens of hours of instructional material. Thinkwell offers a more engaging, more effective way for you to learn.Instead of reading dense chunks of text from a printed book, you can watch video lectures filled with illustrations, examples, and even humor. Students report learning more easily with Thinkwell than with traditional textbooks. And there there more than a thousand exercises with fully worked-out solutions and explanations. Each video topic has corresponding exercises to test your understanding.Test your understanding with hundreds of Intermediate Algebra problems that are automatically graded. Your results are available immediately, including fully worked-out solutions and explanations for each exercise. You can work on the exercises at the computer or print them out to work on later. Access your cumulative results anytime. Though the video lectures are the heart of Thinkwell products, we also offer concise, illustrated review notes, a glossary, transcripts of the video lectures, and links to relevant websites. All of these materials may be viewed online, and the notes and transcripts may be printed and kept for reference.
