Revealed (The Missing Book 7) Margaret Peterson Haddix
After a mysterious appearance by Charles Lindbergh, it’s up to Jonah to save his town in the seventh book of the *New York Times* bestselling The Missing series, which *Kirkus Reviews* calls “plenty of fun and great for history teachers as well.”

It’s morning as usual at the Skidmore household—until Charles Lindbergh, the famous historical pilot, appears in their living room. Jonah can hardly believe his eyes—and then Lindbergh grabs Katherine and vanishes again. And that’s not all. Chip, Andrea, and all the other children from the plane have disappeared too. And worst of all, Jonah’s parents and all the other adults in his town have de-aged into children.

Jonah is the only one left, and the only one who can save everyone. With the help of de-aged JB and Angela, he has to collect the clues. And they lead directly back to Gary and Hodge, and a terrible plot that could mean the end of everything Jonah has ever loved. Can Jonah put the pieces together before time runs out?
