o behind the scenes of Edward Zwick's (Legends of the Fall, Glory) powerful epic set during Japan's turbulent movement away from a feudal society and into a modern nation. Tom Cruise stars as Captain Nathan Algren, battle-scarred Civil War veteran turned Winchester gun spokesman, who travels to Japan in 1876 to train the emperor's troops. With his western-trained troops in place, Emperor Meiji plans to sever ties with the traditional samurai warriors who protect the territories. But during combat, Algren is wounded and captured by the samurai. And it is while in captivity that he discovers the warrior code of honor and undergoes a spiritual transformation that will align him with the very samurai he was sent to quell.
