Violet Eyes Nicole Luiken
"I'm the Idea Girl, the one who can always think of something to do."
Angel Eastland knows she's different. It's not just her violet eyes that set her apart. She's smarter than her classmates and more athletically gifted. Her only real competition is Michael Vallant, who also has violet eyes -- eyes that tell her they're connected, in a way she can't figure out.
Michael understands Angel. He knows her dreams, her nightmares, and her most secret fears. Together they begin to realize that nothing around them is what it seems. Someone is watching them, night and day. They have just one desperate chance to escape, one chance to find their true destiny, but their enemies are powerful -- and will do anything to stop them.
