Cane River Lalita Tademy
It is on a medium Creole plantation owned by a family named Derbanne that the stories of four astonishing women who battled vast injustices to create a legacy of hope and achievement came to life. They were women whose lives began in slavery, who weathered the Civil War, and who grappled with the contradictions of emancipation through the turbulent early years of the twentieth century. Through it all, they fought to unite their family and forge success on their own terms.

Amid small farmhouses and a tightly knit community of French-speaking slaves, free people of color, and whites, Tademy's great-great-great-great-grandmother Elisabeth would bear both a proud heritage and the yoke of slavery. Her youngest daughter, Suzette, would be the first to discover the promise - and heartbreak of freedom. Suzette's strong-willed daughter Philomene would use determination born of tragedy to reunite her family and gain unheard-of economic independence. And Emily, Philomene's spirited daughter, would fight to secure her children's just due and preserve their future against dangerous odds.
