My Thai Girl and I: How I found a new life in Thailand Andrew Hicks
This is about how Andrew Hicks met Cat, a ‘Thai girl’ half his age and how they set up home together in her village out in the rice fields of North Eastern Thailand. He'll tell you of toads in the toilet, of ants' eggs for breakfast, how they took up frog farming and how he got married without really meaning to. It's also a book about the countryside, of the old Thailand where the rhythm of the seasons and belief in the spirits and Buddhism remain strong. Though how could Andrew, a greying English lawyer, ever fit into the lives of a Thai rice farming family? Can Cat and Andrew with their many differences really be compatible?
