Parent as Mystic, Mystic as Parent David Spangler
Writer, mystic, and father of four, **David Spangler** understands that the birth of a child is a spiritually significant event--a mystical experience. There is a feeling of magic in the parent/child relationship that relies on intuition, total presence, and impulses that come from the soul. The acclaimed author of **The Call** shares his stories from the trenches, blessings from the day-in and day-out of child-rearing, and encourages us, with grace, wit and common sense, toward the kind of parenting that brings to the world creative, honest, enlightened, and independent kids.
