Sweet Moon Baby: An Adoption Tale Karen Henry Clark
This is the story of one baby's journey from her birth parents in China, who dream of a better life for their daughter, to her adoptive parents on the other side of the world, who dream of the life they can give her.
A turtle, a peacock, a monkey, a panda, and some fish shepherd the baby as she floats in a basket on a moonlit, winding river into the loving arms of her new parents.
Perfect for bedtime reading, Karen Henry Clark's poetic text, reminiscent of a lullaby, and Patrice Barton's textured and gentle-hued illustrations capture the great love between parents and children and the miraculous journey of adoption.
