The Elephanta Suite

Paul Theroux

The Elephanta Suite Paul Theroux
This startling, far-reaching book captures the tumult, ambition, hardship, and serenity that mark today's India. Theroux's Westerners risk venturing far beyond the subcontinent's well-worn paths to discover woe or truth or peace. A middle-aged couple on vacation veers heedlessly from idyll to chaos. A buttoned-up Boston lawyer finds succor in Mumbai's reeking slums. And a young woman befriends an elephant in Bangalore. We also meet Indian characters as singular as they are reflective of the country's subtle ironies: an executive who yearns to become a holy beggar, an earnest striver whose personality is rewired by acquiring an American accent, a miracle-working guru, and others.
As ever, Theroux's portraits of people and places explode stereotypes to exhilarating effect. The Elephanta Suite is a welcome gift to readers of international fiction and fans of this extraordinary writer.
