Child of Vision..Woman of Wisdom Betty Brown
Child of Vision is more than a personal journey for me. It is written to help all those people who have had their hopes and dreams destroyed along their own journey. As a young girl, I would sit under a large old oak tree and dream about what the big world was like beyond the small farm in East Tennessee where I grew up. I wondered what that world would someday offer me. Little did I know that the choices I made in life would destroy my own dreams. Most of us think that our brokenness and disappointments are the end of our hope. Even when I turned to the church, there seemed to be no relief for my hopelessness. Child of Vision will give you the encouragement to try again and provide some steps of wisdom to walk out of the worst of broken lives. You do not have to live in bondage to your past or failures. You can rise up with strength and passion to see yourself whole and complete.
