Discovery: Champion of the Space Shuttle Fleet (Smithsonian Series) Valerie Neal

This book places Space Shuttle *Discovery* within the history of the space shuttle program and provides an introduction to space shuttle technology, with a focus on the orbiter itself. Discovery's unique history is presented mission by mission that includes a brief narrative of each mission, a chart of its key statistics (dates, duration, altitude, payloads, etc.), each mission's patch with an explanation of its unique symbolism, a crew portrait, and two to four iconic photos that capture the distinct activities and successes of each mission. The book also features anecdotes and memories of several astronauts who flew on *Discovery*, as well as its modernization over the years and its final preparation for retirement at the Smithsonian.
