Dalton Higgins

Far from Over: The Music and Life of Drake, The Unofficial Story Dalton Higgins
Spotlighting one of today's most talked about and successful musicians, this unauthorized biography showcases the Grammy-nominated talent of hip-hop artist Aubrey Graham, aka Drake. The account reveals the entertainer as a triple threat: a rapper, a singer, and an actor whose journey to fame has been nothing short of atypical. From his debut going double platinum and selling millions of copies in the United States alone to topping the Billboard 200 charts and spawning numerous hits, this chronicle reviews Drake's numerous achievements, including the record-breaking digital popularity of his sophomore release. The celebrity's acting career is also touched upon, detailing how he is already being touted as the next Will Smith—another respectable rapper and an award-winning actor—after starring in nine seasons of *Degrassi: The Next Generation*, one of the most consistently watched drama series for teens in North America. Conducting a journey through the life of a 25-year-old wonder, the book travels from Drake's childhood in Toronto to his emergence as an unlikely global pop culture hero—breaking all of the music industry and societal clichés in the process—illustrating what makes this modern-day Renaissance man tick.
