New Testament Greek Primer

Gerald Stevens

New Testament Greek Primer Gerald Stevens
Drawing from his long teaching experience, Gerald Stevens has successfully produced a comprehensive and clear Biblical Greek grammar for beginners and students of the New Testament. The book presents a practical format for learning, with full indexes and a number of illustrations. Exercises are included within the text, and the answer key is followed by indexes that include vocabulary, principal parts, paradigms and subjects. An appendix of English grammar helps the student link the two languages.
