Is there room in her heart for two men and what happens when those two men come face to face for the first time? Unexpected visitors come calling, leaving more questions than answers to what's going on..... I couldn't help it and I stared at his body, taking particular interest in what was making its presence known underneath the towel. "Um, you bumped into my car and was mumbling something about a Trojan Horse that was coming." He got this same far away look that Tina got, but he was in some sort of trance. "Are you still there?" I waved my hand back and forth in front of his face, until he finally blinked back to reality.
