Welding with Children: Stories Tim Gautreaux

A master storyteller's triumphant, moving collection about lost souls, found love, and rediscovered tradition

Tim Gautreaux returns to the form that won him his first fans, with tales of family, sin, and redemption: from a man who realizes his grandchildren are growing up without any sense of right or wrong, and he's to blame; to a camera repairman who uncovers a young woman's secret in the undeveloped film she brings him; to a one-armed hitch-hiker who changes the life of the man who gives her a ride.

Each one a small miracle of storytelling and compassion, these stories are a joyous confirmation of Tim Gautreaux's rare and generous talent.
