The cheque's in the post. I'm still at the office. That looks great on you. Lies make the world go round. And in this book the *Would I Lie To You?* team celebrates the fine art of the everyday fib.

Like the deliriously funny contributions of Rob Brydon, Lee Mack and David Mitchell in the hugely successful panel game, here is a delightful collection of 100 fibs that all of us can recognise. Lies like: I didn't even notice she was pretty; I'm working from home tomorrow; and wow, your tattoo looks really... interesting. Written in the same warm, witty and inspired tone that's made the TV show such a hit, the book uncovers the little deceptions that strike a chord with all of us. There are the lies we tell others, the lies people tell us and the lies we tell ourselves. Each entry in the book is laugh-out-loud funny, and filled with more than a little bit of painful truth.

If you're a fan of the show, a lover of spot-on observational comedy, or have ever told a porky, *Would I Lie To You? Presents the 100 Most Popular Lies of All Time* is the book you've been waiting for.
