Cambridge Controversies in Capital Theory: A Methodological Analysis (Routledge Studies in the History of Economics)

Jack Birner

Cambridge Controversies in Capital Theory: A Methodological Analysis (Routledge Studies in the History of Economics) Jack Birner
This book explains the debate over the Cambridge controversies of the 1960s and 1970s. In a compelling and comprehensive argument, Birner discusses the main contributions to the controversy in a series of case studies. He gradually develops a methodological model of idealizations that explains both the progress of the debate and the historical ironies surrounding it.
