Choices

Dianne Wolfer

Choices Dianne Wolfer
Told in a nonjudgmental narrative that confronts issues head-on, this story follows 17-year-old Elisabeth who discovers she is pregnant and has a tough choice to make: keep the baby or make alternative arrangements. With parents pressuring her, a boyfriend she cannot trust, a best friend she keeps pushing away, and her own indecision, Elisabeth's dilemma grows more and more difficult. This realistic account of teenage pregnancy addresses the pros and cons of both possible outcomes through the alternating perspectives through Libby, who keeps the baby, and Beth, who does not.
