Community College Experience, The Plus NEW MyStudentSuccessLab with Pearson eText -- Access Card Package (3rd Edition) Amy Baldwin M.A.
If students don’t know the “unwritten rules” for community college success – how might it impact them? This book meets students where they are and helps them develop a plan to handle any situation.

The Community College Experience recognizes Student Success is determined by motivation, preparation, knowledge, persistence, and relationships, the outcome largely measured by performance in other courses from the first term throughout the college career. Students are often not prepared for the social and cultural challenges such as meeting expectations, managing pressures on time, and navigating financial issues. Many of the standards for college success are indeed those “unwritten rules” that require an experienced perspective to anticipate, understand, and overcome. This text covers the topics students need to make the transition into a community college culture, become active learners, and make intelligent choices. Course materials are realistic and supportive. They resonate with diverse student backgrounds, including first-generation college students, students of color, returning adults, and others. Once students know the “rules” - written and unwritten – they can adapt their plan for a more successful college experience.<?XML:NAMESPACE PREFIX = O />

The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Brandy Anderson:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make

summary for some publication, they are complained. Just small students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Community College Experience, The Plus NEW MyStudentSuccessLab with Pearson eText -- Access Card Package (3rd Edition) can make you really feel more interested to read.
